### Selecting a Team

All teams must have a maximum value of USD35 million or lower.

(NO, Alan you cannot get a refund if you spend less)!

All teams must be made up of 4 batsmen, 2 all rounders, a wicket keeper and 4 bowlers (as per the reg form).

No more than 2 players from each country are allowed.

All teams must be submitted to [thwaites.matt@gmail.com](mailto:thwaites.matt@gmail.com) and before 6pm on Thursday 4<sup>th</sup> June, the day before the competition starts.

Up to 5 transfers can be made after the group stages, each transfer is VND50,000.

1 transfer means 1 existing member of your team swapped for a new player with the values traded. For example if you transfer Andrew Flintoff @ 5 million out of your team and replace him with Shane Watson @ 4 then you will have a net gain of 1 million that can be spent on your next transfer.

After the 5 transfers, your team must still be made up of 4 Batsman, 2 All Rounders, 1 Wicket Keeper and 4 Bowlers and the total value must not exceed USD 35 Million.

The transfers will be eligible after the second group stage and before the semi finals. All transfers must be submitted to [thwaites.matt@gmail.com](mailto:thwaites.matt@gmail.com) before noon on Thursday 18<sup>th</sup> June 2009.

After the transfers, the amount of players allowed from each country will increase to 4 players country.
